## ONE MILLION DOLLARS

State Revenue From Automobiles In Ohio For Highway Repairs

That Ohio will realize a million dollars net revenue from the automobile department this year is the statement made by Secretary of State Charles Q. Hildebrand to Fred H. Caley, Secretary of the Ohio State Automobile association.

September 1 number tags had run up to 168,000. According to Hildebrand the cost of issuing each set of tags has been reduced to 54 cents. By the end of the year, \$1,000,000 will be ready to turn over to the state highway funds. According to a provision written into the highway code through the efforts of the automobile organization, all of such funds may be used only for the maintenance and repair of roads.

By reaching 168,000 September 1, Ohio becomes the second state in the Union in the number of automobiles licensed, having passed Illinois and California.

"In Ohio the automobile is encouraged by the building of good roads and non-excessive license fees," said Secretary Caley. "The rural districts of Ohio are responsible for the great increase in motor car ownership, and there have been large purchases by families with incomes ranging from \$1000 to \$1800. This is made possible by the decreasing initial cost and maintenance of automobiles."

## SPECIAL WARNING

To Corn Growers Concerning The Care of Seed Corn.

Owing to the generally backward state of this year's corn crop in many of the northern but important sections of the belt, there is danger of injury to the crop by killing frost, the occurrence of which may be expected at any time. It is therefore important that every effort possible be made to secure good seed for next year's crop. Where any last year's corn is left it should be gone over and the best ears saved for seed. Moreover, as corn matures unevenly, it is possible to secure seed from the early ears before the rest of the crop is matured.

## ADULT BIBLE CLASS

Convention to be Held in Columbus, Sept. 28 and 29.

Please allow me space to call attention to the Ohio State Adult Bible Class, Convention at Columbus, September 28 and 29, at which Wood county should be well represented. There are in this county many organized adult Bible classes and each one of these is entitled to send two delegates. All will receive entertainment on the Harvard plan. The larger cities, are responding in a hearty fashion.

Besides being a religious gathering, this convention is a call to social service and will equip and organize for participation in the present and coming campaigns for the forces of the Christian churches of Ohio and to make the Christian vote count for its full value.

W. C. Pearce, International Adult Superintendent from Chicago, by special arrangement will be present at each session. Leon C. Parker, general secretary of the Alabama Sunday School Association and pioneer in the work of federating adult Bible classes, will be another important speaker.

D. A. HAYLOR.

## NEWSBOYS BAND CONCERT

Director Koehler and His Newsboys Will Appear in Perrysburg.

A musical treat will be given the people of Perrysburg and vicinity on Thursday evening, September 23, at the corner of Louisiana and Second streets at 7:30 p. m.

In case of rainy weather the concert will be given in the town hall. The purpose of this concert is to show the public what the young boys are able to do in music. Don't think your boy cannot learn to play, or that he has not the time, but give him the chance and let him prove his ability.

Everybody should attend this free concert. Don't fail to hear the little 10-year-old cornet wonder.

## Worth Their Weight in Gold.

"I have used Chamberlain's Tablets and found them to be just as represented, a quick relief for headaches, dizzy spells and other symptoms denoting a torpid liver and a disordered condition of the digestive organs. They are worth their weight in gold," writes Miss Clara A. Driggs, Elba, N. Y. For sale by all dealers.

## COURT DATES ANNOUNCED

Willey Murder Trial is Set for October 25.

The trial of John H. Willey, charged with the murder of Mrs. Eva Kimble last February, will begin October 25.

Other cases set for trial by Judge McClelland are:

Frank Mikatz, charged with manslaughter of Samuel Liko at Rossford, October 11.

Harry Smith charged with carnal knowledge of a ten-year-old girl at North Baltimore, October 5.

Ray Shelling, alias Huffman, charged with robbing a Perrysburg garage, October 7.

Edward Boyle, charged with the same offence, October 4.

James Long, charged with breaking into a house at North Baltimore, October 4.

Albert Bartz and Roy Smith, accused of the robbery of Edward Neff in Bowling Green, October 8.

John F. Smith, alias Ermin, charged with forgery at Perrysburg October 6.

## SPLENDID EXHIBITION

The Wood county fair has come and gone, between showers, and although the weather tried hard to put the annual event out of the game, the Fair was, as usual, the only real county Fair in the State, exceeded in excellence only by the State Fair at Columbus. The actual ticket sale was 44,439.

The people of Wood county are to be congratulated.

They helped make the Fair.

But the Directors of the Fair company are also to be congratulated upon their wisdom of management and one of their most sensible acts in that respect is the employment of one whom we believe to be the most capable secretaries of any similar enterprise in Ohio—Mr. R. A. Sweet.

And Perrysburg is entitled to some of this honor, for it was in Perrysburg that "Ruck" as we call him, received his early education. Old Perrysburg Hi! claims him.

Wasn't he one of the brightest scholars in the school in the old days?

Didn't he stand at the head of the class in all his studies, and the public "exhibitions" as they were then called?

Didn't he help steal the clapper out of the old bell, and doesn't he now hold possession of that old "Clapper" that pounded out the call to study for the youth of Perrysburg nearly 50 years ago?

Verily, it is so.

And when it comes to doing the Secretary job for the Wood county Fair, "Ruck" is also at the head of the class and we hope he long remains on the job.

He's some secretary.

## THE NEXT BEST THING TO THE

PINE FOREST FOR COLDS IS—Dr. Bell's Pine-Tar-Honey, which goes to the very root of cold troubles. It clears the throat and gives relief from that clogged and stuffed feeling. The pines have ever been the friend of man in driving away colds. Moreover, the pine-honey qualities are peculiarly effective in fighting children's colds. Remember that a cold broken at the start greatly removes the possibility of complications. 25c.

## PIANO RECITAL

The advanced pupils of Miss Mary E. Hubbs will give a free piano recital at the home of Mrs. T. H. Sheldrick at Lime City. Watch for the program and date which will be announced later.

The pupils who will play are Misses Marie and Letitia Clegg, Myrtle Sheldrick, Edith Greiner, Ila Bradley and Ima Snyder.

## SEASON NEARING END

Base Ball for Sunday Promises a Good Game.

Last Sunday's game was postponed on account of wet grounds. Rain from Friday and Saturday was the main feature.

Next Sunday the Curtice, Ohio, Ball team will be here for a game. Curtice is claimed to be one of the best teams in Ottawa county, and real battle is expected from the start to finish. Perrysburg will be out with their winning clothes on, so why not come out and see two of the best county teams in Northwestern Ohio.

On October 3rd Rossford Plate Glass will play a return game with Perrysburg if the weather permits. Don't forget this date—Rossford, Toledo, Ironville and a few more out side towns vs. Perrysburg.

This will be the last game of the season.

## PECULIAR ACCIDENT

A peculiar accident at Lemoyne, Wednesday evening resulted in the complete demolition of Dr. W. G. Emery's automobile by a north bound Hocking valley passenger train. The machine was returning from Toledo when the front wheel on the left side caught in a frog of the railroad crossing and could not be dislodged. Dr. Emery applied all possible power to pull the car from its dangerous position but was unable to get it out.

Efforts were made to flag the onrushing passenger train but the signals were seen too late and the engine crashed into the front end of the auto, throwing it against a telegraph pole and reducing it to wreckage.

One unusual feature of the wreck was that although every part of the car was reduced to kindling wood, one of the headlights was still burning when the members of the party started an investigation.—Sentinel.

## CALLED AWAY

Mrs. Anna J. Liken, wife of the late Dr. J. F. Liken, died at Flower hospital on Monday evening, September 13, 1915.

Mrs. Liken was born at New Castle, Pa.; where she received her education in the N. C. high school, later entering the Allegheny college, Meadville, Pa., where she completed her music, being very talented in this line. She leaves two daughters, Wilhelmina J. and Margaret J.; her mother, Mrs. J. P. Jones, Scottwood avenue, Toledo; four sisters, Mrs. Ed. F. Norris and Mrs. Will H. Marquis, New Castle, Pa.; Mrs. J. Bruce Broadfoot, Guelph, Canada, and Mrs. B. W. Caldwell, of Perrysburg.

## BIRTHDAY SURPRISE

On the afternoon of September 17 a number of friends delightfully surprised Eunice Crissey and presented her with beautiful gifts, the occasion being her eleventh birthday.

They spent the afternoon playing games and at 3 o'clock refreshments were served.

Those who enjoyed the happy event were:

Irene Ford, Georgia Ford, Martha Hildebrand, Eunice Crissey, Marie Kopp, Marie Lauman, Doris Lauman, Caroline Thornton.

None Equal to Chamberlain's. "I have tried most all of the cough cures and find that there is none that equal Chamberlain's Cough Remedy. It has never failed to give me prompt relief," writes W. V. Harner, Montpelier, Ind. When you have a cold give this remedy a trial and see for yourself what a splendid medicine it is. For sale by all dealers.

## WAS HE KILLED?

Pemberville Man Fails to Return to His Home.

Much anxiety is felt in regard to Mr. John Seiving, 50, a farmer of Pemberville who is believed to have been slain. Late Tuesday night when the farmer failed to return home from town where he had been transacting business during the day, an alarm was sent out.

Seiving's horse was found tied in his stall but the wagon was missing. It was found in the river near the Seiving home, two miles south of Pemberville. Tracks of at least two men in a cornfield near the bridge leads the officers to believe that possibly Seiving met with violence.

It is their opinion that Seiving was killed and then thrown into the river, the assassins taking the horse home to cover up the evidence. They are unable to explain as to how the wagon happened to be in the river.

## NARROWLY ESCAPED

On Sunday morning the slippery condition of West Front Street was responsible for two accidents which narrowly escaped being serious.

When Toledo parties turned out to pass a buggy, their auto skidded and crashed into the board fence along that part of the street just at the edge of the steep embankment. A fence post saved the machine from sliding down hill.

A few hours later another auto turned the same trick at the same place and cut off the fence post but miraculously escaped going over.

On Saturday night an auto ran into and wrecked the left front wheel of a buggy. The occupants escaped uninjured.

## STOLEN AT THE FAIR

An automobile belonging to Findlay parties was stolen from the Fairgrounds last Friday afternoon. The thieves started for Toledo, evidently, but ditched the machine near the Bend and made their escape. Officers are looking for them, but could gain very little clew.

Newspaper mail is not always certain of delivery although there are not many mistakes made by the busy mail men. However, whenever your Journal fails to reach you, kindly inform us and we will endeavor to send another copy. Tell us about it.

### ROAD WORK POSTPONED

The heavy rains of the past week have converted the gravel beds on the "flats" and the roads leading thereto into a bottomless mud puddle, thus making the hauling of gravel an impossibility, and causing a delay in the proposed road making which was scheduled for Wednesday of this week.

### SLIGHTLY ERRONEOUS.

In the Journal's story concerning our old friend, Mr. J. D. Muir, we were in error in stating that he was captain of the company of soldiers who were injured in the D. & M. R. wreck in 1863. He was a lieutenant and in charge of the company. Also, it was Able Jolly who was unconscious at the Oliver house for 14 days, although Mr. Muir was severely injured, and was six weeks at the Oliver before he was able to go home.

LIFE'S a game, and we are all players in it, to paraphrase Shakespeare. And the best two cards in any hand are illustrated above—first, the PAY ENVELOPE; second, the BANK BOOK. Without the pay envelope there can be no bank book. Without the bank book the pay envelope is robbed of its FULL VALUE. The BANK BOOK is the LOGICAL, SENSIBLE SUPPLEMENT of the PAY ENVELOPE.
